Good Morning Katherine,

Many thanks for your email and the grant application.

I see that you're asking for £100, which can easily be accommodated under the council's donations scheme rather than the community grant scheme. This means that your request doesn't have to wait until the November meeting for consideration, but can see decided on in the October meeting (and that would give you more notice of what the decision was). Would you like me to add this to our October meeting agenda for a quicker decision?

Kind regards

John
