Subject: Menheniot School Fireworks

Good Evening

Hope you are all keeping well,

Menheniot PTA are planning for the fireworks to return to the village on the 13th November 2021 restrictions allowing.

We would like to request some help towards the cost of the fireworks in order to maximise the amount of funds raised for the school. All the funds raised will go towards coaches for school trips, IT and play equipment.

I understand in previous years you have kindly donated £100.

Our opportunities for fundraising have been limited recently so any support would be highly appreciated.

I look forward to hearing your thoughts or any other information you require.

Kind Regards

Kat Harrison
Menheniot PTA Treasurer
