Wednesday 13th June 2018

Dear Parish Council

Menehniot Skate Park Group write to you to formally ask if you would give us permission to be able to erect a Skate Park On the playing field.

The proposed site is situated next to the tennis court entrance. The proposed size would be 270 Sq meters and it would be a bowl construction, which is more pleasing to the eye, rather than a raised traditional design.

Attached is a bird,s eye view of where we are proposing for the Skate Park.

Also is attached a plan of the proposed skate park.

Kind Regards

Keith Goldsmith

Menehniot Skate Park
