Subject: Pre school Village in Bloom Support

Good Morning John

Adrian advised to email in asking for financial support for the Village in Bloom competition. At Playgroup we will be adding to the front garden, improving all the current planters, refreshing the playgroup bed on the green opposite and creating part of the trail which will go around the church yard for the competition.

We would like to ask for £100 towards these costs please. We appreciate the spend will be higher but do have a budget against plants etc to use as well.

If you have any questions please ask and thank you in advance for you time.

Thank you
Kat Harrison
Menheniot Playgroup Chairperson
